## Fabian Hothan

Fabian Hothan feels drawn to the medium of the picture while still at school and begins his film career in the 90s in photography where he works first as a photo assistant and later as a freelance photographer in advertising.

His passion for the moving image finally leads him to film where he makes a name for himself as Director of Photography, especially in advertising, and is internationally active.

Until today he works for well-known car clients like Mercedes, Volkswagen, Audi, Jaguar, Chevrolet, Toyota, but also worldwide consumer goods brands like Dr.Oetker, Nestlé, Procter & Gamble, to name just a few.

Fabian has an extremely extensive portfolio and he is enthusiastic about large sets as well as sophisticated tabletop sets in the studio.
